**ELECTRIC BOOKINGS CLOSE 1<sup>ST</sup> AUGUST**

**Requests made after 1st August are made on a first come first served basis and totally reliant on generator capacity.**

Please note, after 1<sup>st</sup> August it is very unlikely we will be able to provide electric. Those that we can cannot incur a surcharge; all prices are exclusive of VAT. Final cut-off date, 07/08/24

**STRICTLY NO GENERATORS ARE ALLOWED FOR SAFETY REASONS**

**STANDS MAY NOT SHARE ELECTRICAL SUPPLIES**

Electricity is made available subject to the usual caveat that every effort will be made to maintain supply at all times. Electricity is available from 17:30 on Friday 6<sup>th</sup> September until approximately 18:00 on Sunday 8<sup>th</sup> September.

The supply will be delivered as a “cee form” socket and an adaptor will be required if you require a standard 13amp plug.

Please note price for adaptors is a purchase price and the adaptor is yours to keep after the Show, they are non-refundable. Adaptors can be collected from the Show Office the day before the Show.

Tripping of electricity can be through overloading or faulty equipment, please ensure you have correctly ordered sufficient supply and your electrical equipment is PAT tested and in a safe condition for use at the Show.

The electrical supply will be delivered to the back corner of your stand, you may require your own extension cable.
