# CAREYS SECRET GARDEN

Paul Scriven is the Head Gardener at Careys Secret Garden in Wareham. This 3.5 acre walled plot was left wild and untamed for over 40 years, and has now gently been restored to a truly beautiful and inspiring space. The garden boasts a Rose Wheel, Orchard Meadow, Food Forest, Stumpery, Herb Garden, Permaculture Patch, and dedicated Lavender and Salvia beds. Alongside Garden Designer Dan Smith, Paul has sensitively developed Careys, favouring highly scented and edible plant varieties, everything here is dual purpose, and with a keen focus on sustainability and regeneration. Paul now shares his experience of discovering and growing the 'real' Secret Garden to its new found glory.
